THE MOMENT YOU walk into Mythos you'll immediately be caught by the vibrant buzz. It's bright, the décor is all light blues and white woods, and the space exports you to the Mediterranean effortlessly.

Staff make you feel like you're family – you'll get a warm welcome at the door and be shown to your table. Dishes on the menu are classically Greek – if you're not familiar with the names of these plates, waiters are only too happy to explain and recommend their favourites.

Of those, don't pass up on the classic baked feta cheese with tomato sauce, bell peppers, fresh basil and olive oil, or the shrimps saganaki – king prawns doused in an incredibly rich, sweet tomato

sauce with crushed feta. The flavours served up here are fresh, light and delicious.

Also well worth a try is the cabbage dolma – a Greek comfort food classic made up of minced beef and lamb wrapped in wilted, soft white cabbage leaves. It's delicious.

The kokoras yiouvetsi – rooster with rissoni pasta, cinnamon, tomato and grated myzithra cheese is other traditional dish that's packed with fresh flavours.

Head to Mythos with your family or friends and split your orders. Not only will you get a solid overview of the delightful cuisine, but you'll also get to experience it the most authentic, Greek way – sharing over good conversation. Try it now.
