

Favourite Greek Restaurant: Mythos Kouzina & Grill

If you're looking for a place with all of the authenticity of a traditional Greek tavern, Mythos is definitely worth a visit. Described as a 'hidden gem' in Dubai, the food is prepared delicately and by hand, not losing any of the traditional Greek style or flavours that you'd expect. This place quickly packs out, so book ahead to bag the best table.

Favourite Bar: Nola Eatery & Social House

Who would have thought that Cluster P in JLT would become such a little nightlife spot? And that's thanks in part to this hugely popular little New Orleans-inspired bar. With great drinks deals, a popular ladies' night, and excellent Deep South-style cuisine (beignets, anyone?), it's no wonder Nola continues to be your favourite bar in Dubai.
