

Essential JLT

Nola Eatery & Social House

You can almost guarantee a great night at this utterly swanky New Orleans-themed bar that does a cracking job of keeping JLT's live music scene alive and kicking. Just remember to book ahead. If you do manage to bag yourself a table, it would be a remiss not to get stuck into the hot spinach cheese dip – as decadent (and messy) as it sounds.

→ Open daily noon-3am. Armada BlueBay Hotel, Cluster P, Jumeirah Lakes Towers (04 399 8155).
